

Castiglione Olona, 18th January 2023

Esteemed Customer,

in agreement with what is established by REACH Regulation, the finished products of Mazzucchelli 1849 S.p.A named:

- XELOX-L
- XELOX – M49
- WORBLEX
- WOPAVIN PF
- OPTHAR

must be considered articles that is “an object which during production is given a special shape, surface or design which determines its function to a greater degree than its chemical composition”.

Mazzucchelli, after having checked in its production plants, confirms that none of the substances of the SVHC list (updated at 17th January 2023) is inserted in its own products during their production or is inserted in concentrations higher than 0.1% (w/w).

Best regards,

Mazzucchelli 1849 S.p.A.
